 2,068 CR&R Service

Separate Collection Has Started!

- Began January 1, 2024
- Most customers have 3-cart system
 - Some have lids and some have stickers
- Customers with concerns about their carts can call CR&R at 760-868-4232

Contamination

Contamination is continuing

CR&R is in the process of setting up a material sorter at their yard to sort out trash from recycling

Contamination

- Creating custom tag for District
- Carts will be tagged when contaminated to remind customers to sort trash

5

Self Hauler Update

- Sheep Creek Transfer Station
 - Per county, self-haul source separation will formally begin during 2nd quarter 2024.
 - The contract between the county and Athens will be amended to add the ability to accept food waste with green waste.
 - Requesting for self-haulers to source separate now as bins are available for different waste types at the site.
 - Training scale operators to provide consistent messaging.
- District self-haulers do not need to keep receipts! The county was able to provide adequate reporting on dump card utilization.

<u>Grants</u>

• SB 1383 Local Compliance Grant

- Submitted in January 2022. The District was awarded \$20,000. Grant funds have been used to pay for Solid Waste consultant.
- Staff submitted for the 2023 program grant in the amount of \$75,000.
- Awards are expected in March 2024

• Community Project Funding Request - 2023

• Wallace Group has taken the lead on this grant process, and Engineering is reporting on the progress of this project.

• Community Project Funding Request - 2024

- Staff submitted a Community Project Funding Request ("Request") in the amount of \$2,000,000 to help fund a Tank 6A-2. Staff is pleased to report the District's full Request was selected by the Congressman as one of the 15 projects he submitted to the House Appropriations Committee.
- There is an approximately year-long process before final approval. The Request must be reviewed and approved by the House Appropriations Committee who will then craft legislation in the form of funding bills which are then consolidated with the Senate Appropriations Committee's funding bills. The consolidated funding bill is then signed into law by the President and funding is then distributed. After funding is distributed, the District will have approximately 12-24 months to complete the project and is subject to an audit by the Government Accountability Office. During this time, it is possible that funding for such Requests may disappear, however all indications show that funding is likely to continue for now.
- This will require an authorizing resolution.

County American Rescue Program Act (ARPA) Funds

- Staff worked with consultants and submitted a request to the county. The county approved \$457,194 in ARPA funds for construction of certain parks elements.
- Staff has been working with Wallace Group on park elements and presented to the Parks Committee in November.
- A survey is underway for ADA requirements before park design begins in order to ensure parks design meets all applicable ADA requirements.
