Phelan Piñon Hills Community Services District Parks and Recreation Comprehensive Master Plan

Phelan Piñon Hills Community Services District is seeking public input on parks and recreation needs in the community on Thursday, May 17, 2018, from 5:30 pm – 7:00 pm in the Phelan Community Center.

The Phelan Piñon Hills Community Services District is conducting a Comprehensive Parks and Recreation Master Plan update. We want to hear from residents, business owners, special interest groups, and any other interested parties. We will be hosting a Public Forum on Thursday, May 17th 5:30 pm – 7:00 pm at Phelan Community Center located at 4128 Warbler Road, Phelan, CA 92371. Everyone is encouraged to attend.

The Comprehensive Parks and Recreation Master Plan update will look at the existing parks, recreational facilities, programs, and services, and determine the current and future levels of services for the community based on public input. The plan will prioritize the needs and desires for upgrading and improving parks, facilities and services.

In addition to this Public Forum, a mailed needs assessment survey will be conducted. The results will be utilized to determine the priorities of parks, recreational facilities and activities desired by our residents, what funding sources may be available, identify potential partnerships and how best to support the recreational needs of the community.

The Phelan Piñon Hills Community Services District has hired GreenPlay, LLC, a nationally-known parks and recreation management consulting firm to oversee the plan. If you have any questions regarding either the Comprehensive Parks and Recreation Master Plan or survey please contact Kim Ward, HR Manager/Executive Secretary, Phelan Piñon Hills Community Services District at 760.868.1212 ext. 309, kward@pphcsd.org
